****RC Web Solutions LLC****

Our Commitment to You

At RC Web Solutions LLC, we stand behind the quality of our work. Our refund policy is designed to give you peace of mind when investing in our services.

1. Two-Payment Project Structure

All projects require two payments:

- First payment (50%) - Required to start the project
- Second payment (50%) - Due upon project completion

Once the first payment is made, the project begins immediately and work commences.

2. NO Refunds After First Payment

IMPORTANT: Once the first payment is processed, the project starts immediately and this payment becomes NON-REFUNDABLE.

If you decide not to continue with the project after the first payment, no refund will be issued as we have already invested time and resources into your project.

3. Cancellation Before Payment

You may cancel your order at any time BEFORE making the first payment with no penalty.

Once payment is processed, the no-refund policy takes effect immediately.

4. Contact for Questions

If you have any questions or concerns about starting a project, please contact us at contactus@rcweb.dev BEFORE making your first payment.

We're happy to discuss your project and address any concerns.

- ✗ First payment (project initiation)
- ✗ Second payment (project completion)
